MEMORANDUM FOR : Director of Operations
SUBJECT : Intelligence Requirements for
Project AQUATONE
REFERENCE : Memorandum for Project Director dated 20 October 1955
(TS 142620)

1. Attached hereto are comments from the Project Director regarding our memo to him dated 20 October 1955. I am in complete agreement with the comments and the proposed procedure he outlines. You will note that there are several actions that must be fulfilled before our 8 November meeting with SAC and Air Force Intelligence representatives.

2. Through recent conversations with Air Force personnel associated with this project requirement, I have been informed that they concur in the setting up of a small committee to establish and develop a target priority list for Project AQUATONE.
